

EH: European Artists

EUROPEAN ARTISTS.....AND WHAT WE CAN LEARN FROM THEM

The children will utilize the different art techniques of several European painters.

They will work in pairs or small groups: first they will decide together which painting they want to produce, then they will explain how they are going to make it. Finally they will decide upon which colours, and which art techniques they would like to use.

By the end of course, children will finish their own "masterpiece" and a lap-book.

**PHOTOS OF PAINTINGS WILL BE INSERTED IN
THE SCHOOL CALENDAR.**

**THE MASTERPIECES THEMSELVES WILL THEN BE SOLD
AT OUR EUROPEAN ARTIST AUCTION IN ORDER TO
RAISE MONEY FOR
CHARITY PURPOSES.**
