Material list

Could you please make every effort to ensure that the children have the following items, ready to use at the start of the academic year.

All of this should be clearly labelled with your child's name and class where possible.

USB Flash Drive (capacity not that important but it should be without any proprietary software installed on it), clearly labelled with the child's name.

- USB Flash Drive (see above)
- Pencils (***HB - this is important if the children are to be able to write neatly***)
- Rubbers
- Pencil sharpeners
- *Pink and Yellow* highlighting pens
- Set of whiteboard pens and a small whiteboard (preferably with eraser)
- Full set (at least 10 colours) of coloured pencils
- A selection of coloured biro pens - blue, red, black and green. Lots of children like to have the interchangeable pens which contain pens of all four inks.
- Frixion pens (these are easy to erase and increase the confidence of some writers).
- A small pair of scissors.
- Pritt-Stick style glue stick.
- A **30cm** ruler.
- Pencil case.
- A maths set (including a set square, protractor and set of compasses).
- A Tin Whistle in the key of D
- A simple calculator
- A set of drawing pencils (range from 2B to 2H minimum)
- **A4** sketchbook (simple glue binding) **NOT A3.**
- An old shirt to wear during art lessons.

Please note

**Whiteboards are used regularly from week 1.
Please ensure they come in with one from the first day.**

This year we will buy the children's exercise books out of the class fund so that they all work in books of the same size, layout and paper quality. Some children may also have items that they bought in P4 which can be used again in P5.

Please double check the list to ensure that your child has everything they need for P5!

*Please do **not** buy any coloured plastic book covers.*

Some Suppliers:

- Treasure trove, Tervuren
- Waterstones, Brussels
